To purchase the Standard, visit us at www.shop.csa.ca

Who is affected?

Manufacturers of wiring systems and accessories.

What do you do?

1. This publication outlines certification revisions that do not affect your currently certified product designs.
2. Please contact CSA technical staff if you have questions or need information concerning this publication and how it applies to you.
3. If you would like to arrange for an evaluation of new products to the revisions, initiate a certification project by contacting our Client Services Centre at 1-866-797-4272. Please supply appropriate supporting documentation*. If testing is needed, we will inform you of the samples required.

*which includes technical information, company name, address, factory locations and CSA file number or master contract number (if assigned), and any other relevant documentation.

Introduction:

This informs announces update No. 1 to CSA Standard C22.2 No. 203.1-14 Manufactured wiring systems. Update No.1 adds clauses 7.2.2, 7.2.3 and 7.2.4, which are corrections to this publication. This informs also announces the withdrawal of Technical Information letter (TIL CSA A-30 Interim Certification Requirements for Cord-Connected Power Table Systems for Residential and Commercial Use and for Use with Free Standing Interconnected Tables, previously published under Informs Wiring Products No. 8).

Major Revisions:

Major revisions include editorial corrections to overload and temperature test (clause 7.2) by re-publishing criteria for compliance in clauses stated above. Also it is noted that TIL CSA A-30 has now been superseded as requirements are in Annex A of CSA Standard C22.2 No. 203.1-14. These changes are editorial only and manufactures currently certified are not required to reapply.

For questions specific to your file or products contact your CSA Group technical staff associate.

Go to <http://www.csagroup.org/services/testing-and-certification/product-listing/> and enter your Master Contract # and the class numbers associated with this Informs to view your certified products.
